

NEWS LETTER

VISION

Unveiling strengths, we shape global citizens with the best tools of today, nurturing their values and skills to conquer physical, mental and social challenges- crafting fearless visionaries.

Building The Future

Our School's Journey Through Time

Sandeepani Vidya Nikethan, a venture of Thiruvambadi Devaswom, was founded with the aim of offering high-quality education deeply rooted in Indian culture and values. The name "Sandeepani" was chosen because Sandeepani Maharshi is Lord Krishna's guru, and Krishna's school is Sandeepani Ashram.

Aishwarya Santhosh was the first student enrolled in our school, which was located just opposite the Thiruvambadi temple. In 2002, we initially started with kindergarten and first-grade classes, with a small number of students and teachers. By 2004, we relocated to the building at Kuttumukku, and since then, there has been no turning back.

Our school was established with a dedication to instill traditional values while embracing technological advancements. The presence of green spaces within the school reflects our commitment to enriching the lives of our students. We believe that childhood memories play a significant role in shaping individuals, and we strive to provide our students with unforgettable experiences.

Sandeepani is committed to nurturing global citizens who are socially responsible and contribute positively to the world. We prioritize personalized education, fostering strong teacher-student relationships, and providing individual attention to each student's needs and aspirations. These principles have been embraced with understanding and significance, marking the beginning of Sandeepani's journey, with many tales yet to unfold.

MISSION

We empower our children by unveiling their individual talents, we instill values, we make them skilful. We guide them to conquer challenges, shaping fearless global and visionary citizens.

PRINCIPAL'S MESSAGE

Dear students, parents and guardians,

I am thrilled to announce the launch of the inaugural School newsletter. As the principal of this institution it is my privilege to welcome you all to this platform where we will celebrate the achievements, innovations and milestones of our vibrant School community

Sandeepani Vidya Nikethan is not just a place of learning, it is a home where every student from kindergarten to grade 12 is nurtured, challenged and inspired to reach their full potential. Through this newsletter we aim to foster greater communication, collaboration and connection among students parents teachers and staff.

Each edition will highlight the diverse talents, academic accomplishments, extracurricular activities and events that make our school unique. It will also provide valuable information updates and insights into our Educational Philosophy, programs and initiatives.

I encourage everyone to actively engage with the newsletter, share your feedback and contribute your stories achievements and ideas. Together we can create a dynamic and enriching experience that reflects the spirit and ethos of our school community.

Thank you for your support and I look forward to embarking on this exciting journey with you all.

Warm regards,

Sunitha U Nair, Sandeepani Vidya Nikethan.

GRADUATION GALA

Stepping stones bids adieu to outgoing class 12th. As we bid adieu to our beloved seniors, the class 12th farewell makes a poignant moment filled with nostalgia, reflections and the promise of new beginnings. As they spread their wings and soar to new heights, we wish them success, happiness and fulfillment in all their endeavours. The ceremony was laden with profound emotions. The principal wished them all the best as they stride into the future. The teachers also came together in a warm gesture to say goodbye and wished them good luck. The students of class 11 organized the program with great enthusiasm. The farewell ceremony was a perfect mixing up of smiles, tears, treasured moments and memories.

FAITH GATHERING

Prayer is seen as essential for instilling peace of mind, harmony, and success, as it's believed that without divine blessings, achieving anything is challenging. Recognizing this, our school organized a prayer session on January 27, 2024, for students of classes 10th and 12th, aiming to enhance their knowledge, concentration,

and overall well-being. The event commenced at 9:15 AM, with the stage beautifully adorned by teachers and staff. Each student received a lit diya, creating a serene and devout atmosphere. Symbolizing victory, the lighting of the lamp was performed by the Principal, Administrator, Section heads, and class teachers. The program included prayers from various faiths—Christian, Muslim, and Hindu—along with devotional songs, concluding with the distribution of prasadam and sweets.

EDITORIAL

Dear Readers,
It is with great pleasure and excitement that we extend a warm welcome to all of you to the very first edition of our school's newsletter. As we embark on this journey together, we are filled with enthusiasm and determination to make this newsletter a platform for sharing achievements, communicating important updates, and fostering a sense of community within our school.
Our aim is not only to keep you informed about the happenings within our school but also to celebrate the accomplishments of our students and staff members. We believe that effective communication is essential for building strong relationships between the school, students, parents, and the wider community. Through this newsletter, we hope to strengthen these bonds and create a sense of unity among all stakeholders. Just as a newborn requires support and nurturing, our inaugural edition needs the care and encouragement of our readers to flourish and evolve.

Additionally, we eagerly welcome feedback and suggestions from every member of our school community. Your insights are invaluable to us as we endeavor to continually enhance and tailor our communication endeavors to better serve your needs.

EXPERT'S OPINION

Newsletter as a single word encapsulates two major elements - news (content) and letter (form). It underlines the need to familiarise the target readers- students, the faculty, and parents - with the dynamics of the school. It is a lively dissemination of events, academic and co- curricular activities, projects, providing in the process a coherent, explicit road map to scale further heights in the academic, co-curricular domain. The process of preparing periodic newsletters, also enthuses the experts committee to identify the areas to be rectified, and experiment new projects. It eventually upholds the vision and values of a holistic approach to education.

PET DAY

The children of Sandeepani Vidya Nikethan were excited to have a pet show on February 8th, 2024. Sandeepani conceived of this idea because it will definitely promote responsibility, provide a chance to learn, foster positive relationships, ensure proper animal care, and cultivate empathy. It will be an experience for children and parents alike. Sandeepani aims to create an evergreen memory in the lives of our children.

BOOKLESS DAY

The NEP 2020 proposes exposing at least 50% of learners to vocational education and vocational subjects. This is to attract the students and sensitize them to the workplace through engaging in activities involving the head, hand, and heart.

The underlying idea behind bookless days is to make vocational subjects an integral part of the teaching-learning process from classes 1 to 8. It will reduce the gap between bookish knowledge and the application of knowledge and expose children to skills in work areas helping them to decide on future career paths.

The multi-skill activities will foster the development of various skills, soft skills, aesthetic values, cooperation, teamwork, judiciousness, use of raw materials, creativity, quality etc.

REPUBLIC DAY CELEBRATION

On January 26th, Friday at 8:30 AM, Sandeepani Vidya Nikethan celebrated Republic Day with grandeur. The distinguished Chief Guest for the occasion was PK Vijayakumar I.R.S, retired Chief Commissioner of Income Tax and Former Insurance Ombudsman. The National Flag was ceremoniously hoisted by the Honorable Chairman of Sandeepani Educational Cultural and Charitable Trust, Padma Shri Dr. Sundar Menon. The event witnessed insightful Republic Day messages from our respected Principal, Mrs. Sunitha U Nair, Chief guest P.K Vijayakumar IRS, and Administrator Mr. K.Girish Kumar. Adding to the patriotic fervor, Ms. Mahalakshmi, the Student Council Representative, shared a heartfelt Republic Day message. The cultural program showcased the talents of the students with a patriotic group song, pom-pom drill, patriotic dance drill, and a captivating coconut shell drill, all performed with mass participation. The program concluded by 9:30 AM, and to sweeten the celebration, sweets were distributed to the entire school. With patriotic spirit lingering, the school dispersed by 10 AM, marking a memorable Republic Day celebration at Sandeepani Vidya Nikethan.

CAMP

MINI MINGLE

On February 2nd and 3rd Sandeepani Vidya Nikethan hosted an exciting one day camp for students of grades 5,6,7 and 8. The camp aimed to provide students with a break from their regular routine. From conquering obstacle courses to bonding over campfire stories, students embraced the spirit of exploration and learning. Students enjoyed laughter filled moments as they tackled challenges together. The event designed by our dedicated team of teachers to blend learning with excitement, was a resounding hit among our students.

COUNSELLING SESSION BY MR. VIJAYAKUMAR NAIR R

Mr. Vijayakumar Nair R conducted a training program for students from 9th to 12th standard, leveraging his MSc in Psychology and experience as a former Chief Manager at Career Guru to provide valuable insights. He emphasized the importance of selecting a profession based on individual interests, aptitude, and intelligence, guiding students to make informed career decisions aligned with their strengths and passions. Mr. Nair also addressed exam preparation strategies, offering practical advice on effective study habits, time management, and the significance of nutrition during exams. His interactive approach involved discussions on common distractions while studying and provided strategies to maintain focus. Incorporating elements of mentalism and engaging activities, Mr. Nair's classes were both informative and interesting, leaving a positive impact on students understanding of career choices, exam readiness, and concentration.
